The screenshot shows a window titled "Create Map Dialog Box" with a close button in the top right corner. Inside the window, there is a text box containing the instruction: "Enter in Dimensions (width, height) of the map separated by a comma". Below this text box is a single-line text input field.

The screenshot shows a window titled "Create Unit Dialog Box" with a close button in the top right corner. The main content area displays a message box with the text "Unit 'This Unit' Created!". Below this message is a button labeled "View Stats".

The screenshot shows a software interface for creating a map. At the top, a title bar reads "Create Map Dialog Box". Below it is a dark grey button labeled "Select A Square to Edit". The main area is a 20x20 grid of blue squares. One square, located at the bottom-left (row 19, column 1), is highlighted in brown. On the right side, a "Square Properties" panel is open. It contains the following elements:

- A label "Effects:" above a text input field.
- A label "Modifiers" above another text input field.
- Three identical rows, each consisting of a small box with a "+" and "-" symbol followed by a text input field.
